

Maleny designer picks up state excellence honours

MALENY-BASED building design company Norman Richards Building Design and Interiors has earned two honours in the Building Designers Association of Queensland state awards announced in Brisbane last Friday.

Mr Richards, whose company has its offices in Coral Street, won the Custom Designed Home (under 250 sqm) for Glass on Glasshouse in Glasshouse Mountains.

He was also awarded a commendation in the New Homes (1401-1800 per sqm) for the Burke Residence on Bald Knob.

The residence, Glass on Glasshouse, is the gatehouse for the self-contained luxury cabins, also

Glass on Glasshouse (above) and the Burke residence at Balk Knob.

designed by Norman Richards.

Mr Richards studied architecture in Canada, and practised in Toronto and London before making Maleny his home in

2004.

He is also currently involved with projects at the Maleny Community Centre, the Maleny Credit Union and the Ananda Marga River School.
